DENISE COTE, District Judge:

An Opinion and Order dated November 26, 2013, was filed under seal, and a separate Order of November 26 gave the parties the opportunity to request that portions of the Opinion and Order be redacted before it is filed publicly. In three letters of December 2, plaintiffs and third party Teva Pharmaceuticals USA, Inc. requested certain redactions, while defendants indicated that they did not request any redactions. In a responsive letter also dated December 2, defendants opposed the redaction requests. Having considered these submissions, it is hereby

ORDERED that the requests to redact the November 26 Opinion and Order are denied. The Opinion and Order is unsealed and shall be docketed forthwith by the Clerk of Court.

SO ORDERED:
