**NOTICE OF VOLUNTARY DISMISSAL WITHOUT PREJUDICE**

Pursuant to Federal Rule of Civil Procedure 41(a)(1), Plaintiffs Teva Women's Health, Inc. and Teva Branded Pharmaceutical Products R&D, Inc. (collectively "Teva") hereby voluntarily dismiss their claims against Defendants Watson Laboratories, Inc., Actavis Pharma, Inc., and Actavis Inc. without prejudice. Because Teva did not serve Defendants with Teva's complaint herein, and accordingly, Defendants have not served an answer or filed a motion for summary judgment in response to Teva's complaint, the voluntary dismissal of this action does not require an order of the Court. Plaintiffs state that no court of the United States or of any state previously dismissed any action based on or including the same claims as presented by Plaintiffs in their complaint herein.
