MOTION TO COMPEL**

13 Civ. 3777 (AKH)

ALVIN K. HELLERSTEIN, UNITED STATES DISTRICT JUDGE:

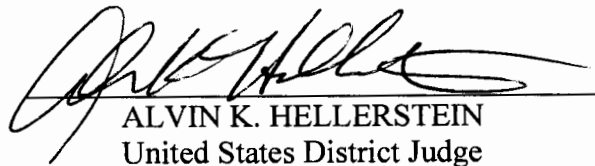

On June 17, 2013, Defendants filed a motion to compel Plaintiff to produce the following documents: (1) documents relating to patent valuation, (2) deposition transcripts of witnesses from previous cases; and (3) damages expert reports and transcripts of damages expert testimony from cases involving similar technologies. I rule as follows:

1. The valuation documents have little or no relevance, and need not be produced. I do not rule on Plaintiff's assertion of privilege as to these documents at this time.
2. As and when Plaintiff lists witnesses (including expert witnesses), or identifies persons having knowledge of the issues, it shall also identify and produce all transcripts of testimony given by such witnesses and persons.
3. Testimony and evidence of Intellectual Ventures' damages, given or produced in other cases, are not relevant to this case, and need not be produced here, except as ordered in paragraph 2 above.

The Clerk shall mark the motion (Doc. No. 113) terminated.

SO ORDERED.
