(b) otherwise directly infringing, contributorily infringing, or inducing infringement of any of the claims of the Asserted Patents with respect to the Accused Products or any other toner cartridges or photosensitive drum units that are not more than colorably different from the Accused Products and fall within the scope of one or more claims of any of the Asserted Patents; and

(c) assisting, aiding, or abetting any other person or business entity in engaging in or performing any of the activities referred to in subparagraphs (a) and (b) above.
